Maybe even better than free.

You can upload any type of file (movies, music, documents, images, zip files and more). We have no file size limit. Alternatively you can choose to share your download links on blogs, forums and social networking sites. File is free to use with no gotchas and no hidden fees. You can give this download link to your friends by mail or instant messenger. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. filehosting provides an easy possibility for you to send large files to your friends. It is also allowed to link to the download page from websites and communities. You don't need any special software installed to be able to download your files. If only we could, we surely would! On the other hand, using file can actually save you money. So try our free and simplefilehosting service now. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the sizeof files that can be transferred within their apps. Unfortunately, we can't make that part free. Your wallet will be none-the-lighter! Just so we're all 100% clearhere: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Keep yourfiles private, or send your download links only to friends or family. You decide who you want to share your files with. There are no restrictions on the numberof times a file can be downloaded. Files can be downloaded from any computer from our high speed servers. The cost of that data transfer is covered by yourinternet service or the data plan on your phone. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Just upload the file youwant to share with your friends and we send you a download link to your file. Our service is completely free for everyone. Simply upload your file and share thelink. Using file, you can circumvent those limits without paying to upgrade your team chat service. No account or credit card is required to get started. Any filein any format can be uploaded and downloaded for free.
